The diagram illustrates the exploded view of a mechanical assembly, likely a valve or actuator. It features several main components: a vertical cylinder body (KF311), a rod assembly (KF206) extending from the top, and a lever system (KF203) attached to the side. A long tube (KF507) is connected to the side of the cylinder. Various smaller parts are shown in callouts, such as a handle (KFT556-C1), a spring (SM695), and a seal (OR12A). A detailed inset shows a close-up of a valve assembly with internal parts labeled KFT554-E, OP401, KFT554, KF37*2, and KFT558*2. Another inset at the bottom right shows a valve component with parts labeled OR060, KFT617, KFT617-E, and SK228. The diagram uses callout lines and leader lines to point from the labels to their respective parts.

The diagram illustrates an exploded view of a mechanical assembly, likely a cylinder or actuator. It is divided into five main sections labeled A through E, each showing a different component or group of components.
 - Section A shows a long rod with a bracket at one end, labeled KN214, and two small nuts, PP3051*2.
 - Section B shows a lever system with a spring, labeled KN40, and several washers and a nut, labeled KN42*2, KN43, KN44, WM641*2, NK26, KN202, and KN201.
 - Section C shows a lever system with a spring, labeled KN40, and several washers and a nut, labeled KN42*2, KN43, KN44, WM641*2, NK26, KN202, and KN201.
 - Section D shows a lever system with a spring, labeled KN40, and several washers and a nut, labeled KN42*2, KN43, KN44, WM641*2, NK26, KN202, and KN201.
 - Section E shows a lever system with a spring, labeled KN40, and several washers and a nut, labeled KN42*2, KN43, KN44, WM641*2, NK26, KB217, SK262, and NK26-E1.
 A large dashed-line box labeled C encloses the central lever assembly. A smaller dashed-line box labeled D encloses the lower lever assembly.
 Below the sections are five horizontal numbers: 1, 2, 3, 4, and 5, corresponding to the labels above.
 The entire diagram is contained within a rectangular frame with a grid of horizontal and vertical lines.
